A key factor for the economic development in Austria and Europe is the current high inflation rate accelerated by Ukraine war and related sanctions against Russia imposed by the United States and the European Union. All these conditions can have in combination with the imminent technological changes in the financial sector as a result of the ongoing digitalisation or on their own a negative impact on the business activity, the results of operations and the Issuer's refinancing costs."

"The COVID-19 pandemic and the consequences for the economy affected the Oberbank Group's financial performance and position.

The most significant effect of the COVID-19 pandemic on the income statement of the Issuer relates to the item charges for losses on loans and advances (additions to charges for losses on loans and advances Stage 1 and Stage 2).

In 2020 and 2021, several management overlay measures were decided due to the COVID-19 pandemic which led to higher risk provisions. As of 30 June 2022, the effect from these measures amounts to EUR 16.1 million."

Similar claims were brought also against BKS in Klagenfurt and BTV in Innsbruck. The legal arguments of these claims are the same as used in all other previous lawsuits. Regarding the lawsuit against the Issuer, the regional court of Linz (*Landesgericht Linz*) scheduled a first hearing for November 2022. Concerning the proceedings against BKS before the regional court of Klagenfurt (*Landesgericht Klagenfurt*), simple suspension was agreed between the parties. In the lawsuit against BTV, the regional court Innsbruck (*Landesgericht Innsbruck*) dismissed all claims of UCBA. Since the court of appeal Innsbruck (*Oberlandesgericht Innsbruck*) rejected UCBA's appeal and confirmed the dismissal in its entirety, UCBA has filed an appeal with the Supreme Court (*Oberster Gerichtshof*). This procedure before the Supreme Court is currently pending."
